m/ SUB: Public Services - Provincial - Madras Agricultural Services - Assistant Marketing officer - Inclusion in Category 3 of the Madras Agricultural Service.

Ref: From the Director of Agriculture K.2.493/49 dated 8th June 1949.

Consequent on the issue of the revised special Rules for the Madras Agricultural Service in G.O. No. 2333, Development, dated 30--4--1949, the classification of some of the posts under the different categories, was altered.

In G.O. Ms. No. 2755 Development dated 24--5--1949, orders were also issued directing that the permanent post of Assistant Marketing officer for survey work, be include in category 3 of the Madras Agricultural Service. The cadre strength as fixed in G.O. 962 Public(Services) dated 24--3--1942 was according to the classification of the posts specified in the old rules. The Director of Agriculture has now submitted proposals for revising the cadre strength according to the revised Special Rules for the Madras Agricultural Service, the following remarks are called for on the proposals of the Director of Agriculture:-

2. Category 3. The Director of Agriculture has shown the post of Provincial Marketing Officer under category 2 It is submitted that according to the revised Special Rules, this post is classified under category 3 of the Madras Agricultural Service.

There were previously only two permanent posts of Deputy Directors of Agriculture. In G.O. No. 4594, Development dated 8--9-1948, another permanent post of Deputy Director of Agriculture was sanctioned in lieu of the post in the Indian Agricultural Service. The posts of the three Deputy Directors of Agriculture and the Senior Lecturer in Agricultuer, (Since designated as Lecturer in Agricultuer). were previously in category, 3. Thus the revised strength of category 3

will be 5.

3. Category 4 (Research Officers).

The posts of Agricultural Research Officers were formerly included in category 3. These posts have now been classified under category 4 under the revised Special Rules. The total number of posts under this category remains the same. This may be accepted.

Category 5.(District Agricultural Officers and Asst. Marketing Officers.) There were previously 26 permanent posts under this category, i.e., 24 posts of District Agricultural Officers. In G.O. No. 2600 d/29-5-1949, a permanent post of D.A.O. for Nilgiris was sanctioned. One post of A.M.O. which was previously in category 6, was included in this category - vide G.O. 2755, Development dated 27--5--1949. Further, the post of Agronomist, Siruguppa, which is in the category of D.A.O.'s was made permanent in G.O. No.2402, P.W.D. dated 6-7-1948. Hence the cadre strength of this category will be 29.

Category 5.A. (Curator Government Botanical Gardens.)

The D.A. has suggested separately that the post of Curator Govt. Botanical Gardens sanctioned in G.O. Ms. No.2600 Development, dated 16--5-1949 may be classified under category 5-A. The commission has been consulted on the draft ad hoc rules submitted by D.A. Since it is proposed to accept the ad hoc rules the suggestion of D.A. to fix the category strength of the category 5 A as '1' may be accepted.

Category 6: Assistant Research Officers:

The cadre strength given in G.O. 968 Public Service dated 24--3--1942 under the category including those of Assistant Entomogolists, Assistant Agricultural chemists and Bacteriologist is 6. A permanent post of A.M.O. and Bio-chemist have since been sanctioned. Now according to the revised rules the post of Superintendent Sugarcane Research Station, Anakapalle has been classified under category 6. The figure given by

D.A. as 9 under this category therefore seems to be acceptable.

Categorys 7 & 8 There is no change in the cadre strength under this category, excepting that the post of Estate Engineers (Civil) and (Mechanical) have bee designated as Assistant Agricultural Engineers.

The D.A's proposals would seem acceptable. After orders are passed this my be sent to Public (Services).

It is needless to include the A.MO.'s post in category 6. It is not a scientific post. Have we not since reclassified the one post originally sanction in category 6 to categroy 5. Please examine and put up papers quickly.

A.S.'s query at p x on p. 2 above. Attention is invited to page 4 of the copy of the D.A.'s letter No. K. 1 637/48 dated 5--7-48. put up at E. It will be seen that one permanent post of A.M.O. was sanctioned in G.O. No.2074 , Development dated12-11-1947 under category 6. E.

B. above. The post of AM.O. reclassified under category 5 is one of the two permanent A.MO.'s posts sanctioned in G.O. No.146 A Development dated 12-1-44 vide para 1 on p.3.

If it is considered needless to retain the post of A.M.O mentioned at P above in category 6 a reference to DA. may be made and the position get clarified.

A draft memo is submitted for approval.

(Issued as memo No.63293 J/49 dated 20--9--1949. from the D.A. No. K.2 493/49 dated 6-10-1949. . . .

With reference to the memo on pages 5-6-c. the reply from the D.A. on pages 7-8-c.f. may be perused. It will be seen from the letter of the D.A. that the posts of A.MO.'s have been included only in

category 5 and that the strength of category 6 reported to be as 9 was only in respect of scientific posts as explained at 'M' on page 4 c.f. In the circumstances the proposals of the D.A. regarding the cadre strength of categories 5 and 6 seem to be in order. For orders.

After orders are passed the case may be sent to Public Services for issue of amendments to G.O. Ms.962 dated 24--3--1942, as suggested by the D.A. subject to the modification indicated at 'A' on page 1 above.
